CCHP: Silver 70 HMO

 The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, 1-888-775-7888. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. You can view the Glossary at <https://www.healthcare.gov/sbc-glossary/> or call 1-888-775-7888 to request a copy.

| Important Questions | Answers | Why This Matters: |
|---|---|---|
| What is the overall deductible ? | \$2,000/Individual or \$4,000/Family | Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan , each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible . |
| Are there services covered before you meet your deductible ? | Yes. Preventive care , office visits, outpatient services, medical supplies, and most home health services. | For example, this plan covers certain preventative services without cost sharing and before you meet your deductible . See a list of covered preventative services at https://www.healthcare.gov/coverage/preventive-care-benefits/ . |
| Are there other deductibles for specific services? | Yes. \$250/Individual or \$500/Family for Tiers 2, 3, and 4 prescription drugs . There are no other specific deductibles . | You must pay all of the costs for these services up to the specific deductible amount before this plan begins to pay for these services |
| What is the out-of-pocket limit for this plan ? | \$6,800 Individual / \$13,600 Family | The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan , they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met. |
| What is not included in the out-of-pocket limit ? | Premiums and health care this plan doesn't cover, and out-of-network services. | Even though you pay these expenses, they don't count toward the out-of-pocket limit . |
| Will you pay less if you use a network provider ? | Yes. See http://www.cchphealthplan.com/doctor-locations or call 1-888-775-7888 for a list of network providers . | This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services. |
| Do you need a referral to see a specialist ? | Yes. | This plan will pay some or all of the costs to see a specialist for covered services but only if you have a referral before you see the specialist . |

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
