

# Where's My ID Card?

If you've been looking for your child's dental plan ID card, we have good news for you: **You don't need one!**

Just tell your dental office your child is covered by **Delta Dental Insurance Company** through the Chinese Community Health Plan and provide your **name**, your **date of birth** and your **enrollee ID number** (you may use your CCHP or Delta Dental ID).

## Want an ID card anyway?

### Print one from your computer

- Go to [deltadentalins.com](http://deltadentalins.com)
- Log in to Online Services > Select User Type (Enrollee/Dependent) > Click on **My ID card** > Print

### Pull it up on your smartphone

- Download the **Delta Dental** app (by the Delta Dental Plans Association) from the App Store or Google Play
- Log in > Select **My ID card**

Good dental health means more than a sparkling smile. When your child practices healthy oral habits, it can have a profound impact on his or her overall wellness. The DeltaCare<sup>®</sup> USA Pediatric Basic Plan helps your child develop healthy habits from the start. To start using this plan, select a DeltaCare USA dentist.
