Season's Message 本季資訊

As the amber leaves drift down and the crisp autumn breeze gently reminds us of the upcoming holidays, it's the perfect time to reflect on our community's health and wellness. Autumn, while beautiful, it also comes with temptations — gatherings filled with calorie-rich foods and the onset of colder weather that makes us want to cozy up indoors.

This season, let's prioritize our mental and physical well-being. Begin with mindful eating. Instead of reaching out for that extra piece of pie, savor the flavors of fresh seasonal fruits and vegetables. They not only provide essential nutrients but also help in maintaining a balanced weight.

During festive celebrations, we sometimes forget to take care of our mental health. Allocate a few minutes daily for relaxation techniques, try deep breathing, meditation, or a simple walk among the autumn leaves. Remember, the holidays aren't just about feasting and celebration. They're about gratitude, love, and taking care of ourselves and each other.

Wishing everyone a healthy and harmonious autumn!

隨著秋天的橙黃色樹葉經清爽的微風而慢慢飄落，這樣正輕輕地喚醒我們有關節日假期即將到來。恰巧這也是我們一齊回顧社區健康的最佳時機。因為提供高卡路里的食物聚會開始出現，而且我們在低溫下總想留在室內懶惰起來，所以秋高氣爽但也處處充滿著誘惑。

我們在秋季應該優先考慮我們的身心健康。從均衡飲食開始，與其拿多一份額外糕點，不如試試一些新鮮時令蔬果。它們不僅提供必需營養，還有助於保持體重平衡。

在節日慶祝期間，我們有時會忘記為自己的心理健康著想。每天可花幾分鐘放空、嘗試深呼吸、冥想，或在秋葉上散步等。請記住節日假期不要只顧大飲大食及慶祝，我們還要感恩、關愛及互相照顧。

祝大家有一個健康及美好的秋天！

Nourishing Bone Broth

Autumn/Winter season is coming. It is time to move away from the fruits and vegetables from the Summer Season and start eating more warming foods and nourishing soups. A good way to warm the body and make bones strong is cooking bone broth. The recipe uses green onion and ginger which are warming. Beef bones, especially knee joints are best to make nourishing soups as they contain lots of calcium that can be easily absorbed by the body. Usually when making soup, bones are pre-boiled. In this recipe, the bones are baked in the oven to preserve the precious bone marrow so it is not wasted.

Ingredients:

- Beef bones 2 pounds (knee joints best but neck bones will work also)
- Green onion 3 long pieces
- Ginger 1 large piece peeled

Directions:

1. Bake bones on tray in oven at 450 degrees for 30 minutes
2. Add enough water to cover all ingredients in large pot
3. Bring all ingredients in large pot to boil on high heat, then simmer on low heat for 2.5 hours
4. After soup cools to room temperature, refrigerate until the next day
5. Remove all the fat from top layer
6. Add small amount of salt as needed for taste

Soup can be made in batches and frozen. Soup can be used for drinking or used as a soup base to make noodles and vegetable dishes. Drink often for best effects.

滋補湯水

秋冬季節臨近，也是時候遠離夏日寒涼的蔬果，及開始進食溫熱食物及滋補湯水。要暖身及強健骨骼的一個好方法就是飲用骨湯，其食譜也包含溫熱的薑蔥。牛骨特別是牛膝最適合做滋補湯水，因為牛膝含有大量鈣質，而鈣質容易被人體吸收。骨塊通常在開始烹調時都是首先煮滾，然而在這個食譜中，骨塊需要在焗爐中先烤熟，這樣便可以保留珍貴的骨髓避免浪費。

材料：

- 牛骨2磅（首選膝關節，頸骨亦可）
- 蔥段 3塊
- 去皮生薑1大塊

烹調方法：

1. 將所有放在焗盤上的骨塊一同放入焗爐，以 450°F 焗 30 分鐘
2. 倒入足夠的水足以淹蓋鍋中的所有食材
3. 先用大火煮滾鍋中的所有食材，然後調節至細火煮兩個半小時
4. 鍋中湯水冷卻至室溫後，放入雪櫃冷藏至翌日
5. 撇除頂層的所有脂肪
6. 根據口味添加適量的鹽

湯水可以一次過準備較大份量，然後冷凍備用。湯水可直接飲用，也可作為烹調麵條或蔬菜之湯底。經常飲用可以獲得最佳效果。

Boost Your Immunity with COVID-19 and Flu Vaccines This Fall

With fall just around the corner and flu season coming up, it's important to boost our protection against the flu and the new COVID-19 variants.

New COVID-19 Vaccine

With COVID-19 variants evolving, maintaining our immunity is paramount. A new COVID-19 vaccine is expected this fall, although the exact date is still pending confirmation from both the FDA and CDC. This vaccine is designed to target the XBB variants, which are the current prevalent strains. To stay informed about availability dates and eligibility criteria, please stay connected with us at **www.chinesehospital-sf.org/covid-19-vaccine** or follow our social media.

Flu Vaccination

Proven through time, the flu vaccine remains a steadfast way to shield yourself from the impact of influenza. September and October stand as the prime months for vaccination. It is recommended that everyone over the age of 6 months receive the flu vaccine. If you're 65 or older, you should get the high-dose version for stronger protection.

Where to Get Immunized

You can find flu shots and COVID-19 vaccines at places like clinics, doctor's offices, and pharmacies, even at Chinese Hospital and its clinics. Most insurance plans, including CCHP, will cover the COVID-19 vaccine and flu shot as part of preventive care at no cost. To confirm coverage and schedule an appointment, reach out to your doctor's office or local pharmacy. To find a Chinese Hospital's clinic near you, visit **www.chinesehospital-sf.org/clinics**.

As September unfolds, seize the opportunity to prioritize your health. Choose protection; choose the path of vaccination against both COVID-19 and the flu.

今年秋季接種 COVID-19 及流感疫苗 增強免疫力

秋季及流感高峰期將至，我們要加強防範流感及 COVID-19 新變種是非常重要的。

新 COVID-19 疫苗

隨著 COVID-19 不斷演變，保持我們的免疫力是十分重要。新 COVID-19 疫苗預計將於今個秋季推出市面，具體日期仍有待 FDA 及 CDC 確認。新疫苗針對 COVID-19 XBB 變種，即是目前流行的病毒株。要了解有關接種日期及資格，請瀏覽 **www.chinesehospital-sf.org/covid-19-vaccine** 或關注我們的社交媒體以保持更新。

流感疫苗接種

接種流感疫苗一直以來仍然是保護自己免受流感影響的最佳方法。9 月至 10 月是疫苗接種的黃金時間。建議半歲以上之人士都應接種流感疫苗，而年屆 65 歲或以上之人士應接種高劑量版以獲得更強保護。

哪裡提供疫苗接種

您可以在診所、藥房、東華醫院及華康醫務中心，找到流感及 COVID-19 疫苗接種服務。大部份健康計劃（包括 CCHP）將免費覆蓋 COVID-19 及流感疫苗作為預防性護理的其中一部分。請聯絡您的診所或附近藥房確認疫苗接種保障及安排預約。請瀏覽 **www.chinesehospital-sf.org/clinics** 尋找您附近的華康社區診所。

9月即將到來，請把握機會優先考慮自身健康。保護自己，選擇接種 COVID-19 及流感的新疫苗。

4 tbsp low sodium soy sauce	1 cup fresh cilantro
6 tbsp water	1 pound tempeh, cut crosswise into 1/2 inch thick strips
5 garlic cloves, minced	2 heads baby bok Choy (4 oz each), sliced thin crosswise
1 1/2 tbsp rice vinegar	3 radishes, trimmed, halved, and sliced thin
1 1/2 tsp sriracha	2 scallions, sliced thin

2. Add sugar-soy mixture to now-empty skillet and bring to simmer over medium-low heat. Cook until thickened and reduced to about 1 cup, about 5 mins. Transfer tempeh to bowl, add half of sauce, and toss to coat. Lay tortillas on counter, then divide tempeh evenly among tortillas. Top evenly with bok choy, cilantro, radishes, and scallions, then drizzle each wrap with 1 tablespoon sauce. Fold sides of tortilla over filling, fold bottom of tortilla over sides and filling, and roll tightly. Slice in half and serve, passing remaining sauce separately.
