Introduction: This booklet provides a list of CCHP Senior Select Program (HMO D-SNP)’s network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and CCHP Senior Select Program (HMO D-SNP)’s formulary.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under CCHP Senior Select Program (HMO D-SNP) only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 7/2024. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

This directory is for San Francisco County including the area in which you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our Plan. For information on more pharmacies in our plan network not listed in this directory, please call Member Services at 1-888-775-7888 (TTY users should call 1-877-681-8898).

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

CCHP Senior Select Program (HMO D-SNP)

2024 Provider Directory

This directory is current as of 04/2024.

This directory provides a list of CCHP Senior Select Program (HMO D-SNP)'s current network providers.

This directory is for San Francisco County.

To access CCHP Senior Select Program (HMO D-SNP)'s online provider directory, you can visit www.cchphealthplan.com/medicare. For any questions about the information contained in this directory, please call our Member Services Department at 1-888-775-7888, Monday to Friday, 8:00 a.m. to 8:00 p.m. TTY users should call 1-888-681-8898.

Section 1: Introduction – Network Providers

This section provides a list of CCHP Senior Select Program (HMO D-SNP)'s network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

You will have to choose one of our network providers listed in this directory to be your **Prietary Care Provider** (PCP). Generally, you must get your health care services from your PCP. A PCP is a health care professional that you select to coordinate your health care. Your PCP is responsible for providing or authorizing covered services while you are a Plan member. Your PCP will also coordinate the rest of the covered services that you get as a member of our Plan.

The network providers listed in this directory have agreed to provide you with your healthcare and vision services. You may go to any of our network providers listed in this directory; however, some services may require a referral. If you have been going to one network provider, you are not required to continue to go to that provider. In some cases, you may get covered services from non-network providers. Other providers are available in our network.

If you receive non-emergency care from non-contracted medical providers without prior authorization, CCHP may not pay for those services unless the services are urgent and our Plan providers are not available, or the services are out-of-area dialysis services. However, if you do receive services from non-contracting providers, you should not pay the bill, but you should first submit a copy of the bill to CCHP Member Services Department for processing and determination of liability.

Emergency services are provided worldwide. If you need emergency services, please visit the nearest emergency room. If you receive emergency treatment at an out-of-network provider, please contact Member Services. Post-stabilization care must be obtained at an in-network provider, unless previously approved by the Plan. If you receive emergency care at an out-of-network hospital and need inpatient care after your emergency condition is stabilized, you must return to an in-network hospital in order for your care to continue to be covered OR you must have your inpatient care at the out-of-network hospital authorized by the Plan.

You must use plan providers except in emergency or urgent care situations or for out-of-area renal dialysis. If you obtain routine care from out-of-network providers, neither Medicare nor CCHP Senior Select Program (HMO D-SNP) will be responsible for the costs.

What is the service area for CCHP Senior Select Program (HMO D-SNP)?

The counties in our service area are listed below:

- San Francisco County

How do you find CCHP Senior Select Program (HMO D-SNP) providers that serve your area?

Network providers are organized by county. Within each county, the providers are categorized as Primary Care Physicians; Specialists; Mental Health Providers; Skilled Nursing Facilities; or Hospitals, and are sorted alphabetically. In addition, Specialists are sorted by the type of specialty.

If you have questions about CCHP Senior Select Program (HMO D-SNP) or require assistance in selecting a PCP, please call our Member Service Department at 1-888-775-7888, Monday to Friday, 8:00 am to 8:00 pm. TTY users should call 1-877-681-8898. Or, visit www.cchphealthplan.com/medicare.

Timely Access to Care

CCHP is committed to ensuring that our members have timely access to the care they need. We adhere to specific timeframes to guarantee that appointments with providers are available within reasonable periods. These standards are in place to provide prompt medical attention and maintain the health and well-being of our members.

Timely Access Standards:

CCHP employs written standards for timeliness of access to care and member services that meet or exceed standards as established by the Center for Medicare & Medicaid Services (CMS). CCHP also considers our members' needs and common waiting times for reasonable and comparable services within the community we serve.

- For emergent or urgently needed services: Immediately.
- For services that are not emergent or urgently needed, but in need of medical attention: Within one week.
- For routine and preventive Care: Within 30 calendar days.

Interpreter Services:

CCHP provides interpreter services with scheduled appointments for health care services in a timely manner. Interpretation services are provided through our Member Services team on the phone or in person at no cost to you. If you need language assistance during your appointment, ask your provider to arrange an interpreter for you. Alternatively, you can call Member Services at 1-888-775-7888 (TTY users should call 1-877-681-8898). From October 1 to March 31, we are open every day from 8:00 a.m. to 8:00 p.m. From April 1 to September 30, we are open from Monday to Friday, 8:00 a.m. to 8:00 p.m.

Distance:

To ensure timely access to care, the plan requires that:

- Primary Care Provider(s) / Hospital: Must be within 15 miles or 30 minutes from where health plan members live or work.

24/7 Nurse Advice Line:

CCHP provides or arranges for a licensed health care professional to be available to assist you by phone 24 hours a day, seven days a week. You can reach a licensed health care professional by calling this toll-free number 1-888-243-8310.

Unable to Get an Appointment?

If you are unable to secure an appointment within the standard timeframes, please contact CCHP directly for assistance. If the issue is not resolved, the DMHC Help Center is available to assist at 1-888-466-2219 (TDD: 1-877-688-9891) or online at www.DMHC.ca.gov.

In the case of a medical emergency, please call 9-1-1 or go immediately to the nearest hospital.
